Rev. W. B. Bradshaw, pastor of the Secoud Baptist church in this city, yesterday resigned his charge. The resignation was read to the congregation at the morning hour of service, and was a great surprise, as it is a matter of great regret, to the church. Mr. Bradshaw succeeded the Rev. George J. Hobday as pastor of this church about one year ago, and has proved a most efficient and acceptable minister. The reason assigned for the resignation is the ill-health of himself and of his wife; in consequence of which they have been advised to return to Canada. Mr. Bradshaw has been suffering for some weeks from the effects of malarial poison, and his wife, has consumption. He will preach his farewell sermon next Sunday. The scene between pastor and people yesterday morning was very af-

fecting. The Republican debt-payers of this city will hold a mass-meeting to-night at the old Harrison-Street church, and will be addressed by Colonel Robert Bolling and Mr. H. Van Auken.

To-morrow night the Republicans will old a grand mass-meeting at the Academy of Music, when addresses will be delivered by Mr. Edgar Allan, of Prince Edward; Mr. John F. Dezendorf, of Norfolk; Mr. Van Auken, and others, on the duty of Republicans in the crisis. There is no doubt that the meeting will be an immense one.

The canvass is growing red-hot here, and

great activity is shown on all sides. Meetings will be held throughout the city every night this week, and from now until sun-down on election-day the campaignwork will be increasing. The cause of the honest debt-payers is strengthening daily. General Mahone spoke in Brunswick county to-day, and Mr. Samuel M. Page will speak at Surry Courthouse to-morrow. Elder L. A. Black, pastor of the colored Baptist church on Harrison street, one of COVERING THE BODY FOR TEN YEARS, PERconsideration of the report in this matter the largest congregations in the city, took occasion during one of his sermons yesterday to refer to the matter of the State debt. and in strong and decided terms advised his hearers to place themselves on the platform of the honest payment of honest debts. A few Sundays ago Rev. Henry Williams, Jr., pastor of the Gilfield (colored) church, gave his congregation the same wholesome advice. They are men of influence with their people, and their advice will doubtless have good effect. The matter was simply discussed by them from a moral standpoint. They have, of course, brought upon themselves the condemnation of the

Readjusters. Captain John C. Griffin, who was recently accidentally shot on his farm, in Chesterfield county, by a huntsman, is still confined to his bed, but is slowly improving. It is thought the sight of his right eye may

be saved. A little son of Mr. John Pond, residing on Halifax street, while playing in his father's yard vesterday afternoon fell and fractured one of his arms.

The residence on Franklin street occupied by Mr. James P. Jackson was sold at auction this afternoon, and was purchased by that gentleman for \$1,700. All the Presbyterian churches in this city were closed on Sunday, the pastors being

in attendance at the Synod, in Danville. Ten of the brightest pupils in the public schools in Petersburg will be sent over to Richmond to take part in the school exer cises at the Fair-Grounds. Their names will probably be announced to-morrow. The police of this city a day or two ago ministers for this end. the kind shipped from here during the past two months. The internal-revenue collections in the Petersburg district for the week ending Saturday amounted to \$16,680. The exports

of manufactured tobacco from the city for the week were 66,404 pounds. During a recent trip to the North Rev. Henry Williams, Jr., pastor of the Gilfield (colored) Baptist church, collected over

\$400 for his church. The frost Sunday morning was a very heavy one, and on wooden surfaces presented the appearance of a slight snow. The weather has very much moderated in tem-

perature to-day. The young gentlemen of the county are making arrangements for a tournament and ball at the Courthouse, to take place about the middle Courthouse, to take place about the middle of next month. One of the novelties of the occasion, it is said, will be the requirement of the successful knights to make their own addresses to the ladies whom they crown queen and maids of honor.

The State Canvass. MEETING AT SOUTH BOSTON YESTERDAY.

[Special telegram to the Dispatch.] South Boston, Va., October 27 .- Major John W. Daniel, representing the Conservative party, and Colonel D. J. Godwyn, of the Mahoneites of Portsmouth, addressed the people of Halifax at the Courthouse today. Colonel Godwyn led off in a speech of the public schools and many places of busione hour and a quarter, making a good argument for his side of the question. Major Daniel followed in one of the grandest efforts of his life, carrying the vast throng by storm. Such shouts of applause were never heard before at old Halifax. Every point attempted by Colonel Godwyn was successfully met and totally annihilated. Such enthusiasm was never known. Three-fourths of an bour was occupied by each speaker in the rejoinder. Major Daniel, if possible, was bappier in his closing speech than in his first. The vast crowd shouted until they were hoarse. I can safely say that such a glorious time was never witnessed here before. The victory is ours by an overwhelming majority.
